

Assistant Warehouse Manager

Cleveland Cable Company Ltd, the UK's foremost distributor of electrical cable and accessories, are looking to recruit an Assistant Warehouse Manager for their depot based in Avonmouth, Bristol.

The newly appointed Assistant Manager will have responsibility for overseeing the warehouse functions of the branch.

Responsibilities include, but are not limited to:

- Overseeing all warehouse day to day tasks and responsibilities
- Assist with logistics planning, targeting, and reporting
- Team management and motivation
- Assist with recruitment and training of all warehouse personnel
- Monitor operational expenditure & expenses
- Ensure health and safety and quality assurance compliance within the branch
- Liaising with head office departments to ensure that company procedures are in place and carried out

The ideal candidate will have at least 3 years' experience in warehouse management, preferably in the electrical cable distribution sector.

We are looking for someone who is commercially aware, has good business acumen, be confident to motivate a team, manage under pressure, be pro-active and have the ability to make decisions with the interests of the company at heart.
