

BS6708 Type 307 Mining Cable - EPR, CP - 25mm² to 150mm²

Description

Cleveland Cable Company can supply a range of mine and quarry cable. Type 307 mining cable is generally used in deep mines where explosive gasses and dust can accumulate and on surface for supplying excavating, crushing machines and equipment.

Key Features

Voltage Rating
1900/3300 Volts

Minimum Bending Radius
8 x Overall Diameter

Temperature Limits
Fixed: -40°C to +80°C
Flexing: -25°C to +80°C
Maximum Short Circuit Temperature: +200°C

Core Colours

Three phase cores with composite individual screens and one unscreened pilot

core laid up in contact with each other and the bare earth conductor in the centre.

Standards

- BS EN/IEC 60228
- BS 6708

Construction

- **Conductor:** Class 5 tinned flexible stranded copper wire
- **Insulation:** Ethylene propylene rubber (EPR) Ground core is not insulated
- **Separator:** Colored Textile tape for core identification.
- **Screen:** Tinned copper / Nylon braided screen over phase cores. Pilot core is not screened.
- **Layup:** All cores are laid up in contact with the bare copper earth conductor
- **Bedding:** Rubber based bedding compound
- **Outer Sheath:** Heavy Duty Polychloroprene (HDPCP)
- **Sheath Colour:** Red

QA Lab

Cleveland Cable Test & Training Lab

Our state-of-the-art cable testing facility ensures that every cable meets the highest standards of quality and compliance through continuous, rigorous testing. Where applicable, cables are independently tested and certified by BASEC to ensure full compliance.

CPR

Cleveland Cable Company is committed to compliance with the Construction Products Regulation (CPR). Where applicable, all cables manufactured after 1st July 2017 have been assessed in accordance with CPR requirements, with full supporting documentation available.

Our Sustainability Commitment

We are committed to the journey to Net Zero as a business partner, an employer and a community member.

By thinking and acting sustainably, we deliver excellent customer service while reducing carbon emissions in collaboration with our customers and suppliers.

ecovadis

Cleveland Cable Company has been independently assessed by EcoVadis, a globally recognised provider of business sustainability ratings. Our score places us among the top 35% of companies evaluated worldwide, reflecting our strong commitment to environmental, social, and ethical performance.
