

PROFIBUS Communication Cable BS EN/IEC 61158

Description

PROFIBUS is standardised to IEC 61158 giving more interoperability of components from different manufacturers. PROFIBUS cables are especially made for process automation (PA). The modular peripheral construction (DP: decentralised periphery) of the bus system simplifies installation and maintenance. Also available with a galvanised copper wire braid for mechanical strength and resistance to interference.

Key Features

Voltage Rating
300/300 Volts

Minimum Bending Radius
Fixed: 8 x overall diameter
Flexing: 12 x overall diameter

Temperature Limits
Fixed: -40°C to +80°C

Core Colours

Pair 1: Red Green

Inner Sheath: Violet

Outer Sheath: Violet

Standards

- IEC 61034-1
- BS EN/IEC 60332-1
- BS EN 50170
- BS EN/IEC 60754-1

Construction

- **Conductor:** Stranded copper conductor
- **Insulation:** Polyethylene (PE)
- **Filler:** Plastic Tape (PT)
- **Armour:** Galvanised Copper Wire Braid, SWA only on PROFIBUSDPSWA
- **Sheath:** LSZH / PVC - refer to Products

QA Lab

Cleveland Cable Test & Training Lab

Our state-of-the-art cable testing facility ensures that every cable meets the highest standards of quality and compliance through continuous, rigorous testing. Where applicable, cables are independently tested and certified by BASEC to ensure full compliance.

CPR

Cleveland Cable Company is committed to compliance with the Construction Products Regulation (CPR). Where applicable, all cables manufactured after 1st July 2017 have been assessed in accordance with CPR requirements, with full supporting documentation available.

Our Sustainability Commitment

We are committed to the journey to Net Zero as a business partner, an employer and a community member.

By thinking and acting sustainably, we deliver excellent customer service while reducing carbon emissions in collaboration with our customers and suppliers.

ecovadis

Cleveland Cable Company has been independently assessed by EcoVadis, a globally recognised provider of business sustainability ratings. Our score places us among the top 35% of companies evaluated worldwide, reflecting our strong commitment to environmental, social, and ethical performance
