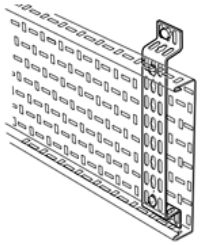
Legrand Tray - Cable Tray Stand off Brackets



Description

Legrand cable tray stand-off brackets are used to mount cable trays to walls or other vertical surfaces, creating space between the tray and the mounting surface. This spacing is crucial for airflow, access, and proper cable management. They are designed to provide a stable and secure connection for the cable tray, preventing sagging and ensuring proper cable alignment.

These brackets act as an intermediary between the cable tray and the wall or structure, allowing for a gap between them. They provide support for the cable tray, preventing it from sagging or bending under the weight of the cables.

The stand-off design creates space for airflow, which is important for heat dissipation and preventing overheating of the cables. This space also allows for easier access to the cables for maintenance, repairs, or future additions to the cable system.

They ensure a rigid and stable fixing, preventing movement or shifting of the cable tray. Legrand stand-off brackets are typically designed to be compatible with specific sizes and types of Legrand cable trays.

Key Features

Standards

Construction

QA Lab

Cleveland Cable Test & Training Lab
Our state-of-the-art cable testing facility ensures that every cable meets the highest standards of quality and compliance through continuous, rigorous testing. Where applicable, cables are independently tested and certified by BASEC to ensure full compliance.

CPR
Cleveland Cable Company is committed to compliance with the Construction Products Regulation (CPR). Where applicable, all cables manufactured after 1st July 2017 have been assessed in accordance with CPR requirements, with full supporting documentation available.

Our Sustainability Commitment

We are committed to the journey to Net Zero as a business partner, an employer and a community member.

By thinking and acting sustainably, we deliver excellent customer service while reducing carbon emissions in collaboration with our customers and suppliers.

ecovadis
Cleveland Cable Company has been independently assessed by EcoVadis, a globally recognised provider of business sustainability ratings. Our score places us among the top 35% of companies evaluated worldwide, reflecting our strong commitment to environmental, social, and ethical performance
