

# High Temperature Silicone Cable SIAF/GL Flexible Single Core Cable - 0.5mm<sup>2</sup> to 300mm<sup>2</sup>

## Description

High temperature single core silicone cable with fibre glass outer sheath. SIAF cables are heat resistant up to 180°C and can also be installed at temperatures as low as -60°C. These cables are low smoke zero halogen, organically inert, flame retardant providing excellent weather resistance. SIAF cable are suitable for both internal and external installations and are often used in power plants, as well as a wide range of in food and medical applications in processing, packaging, refrigeration. They are heavily used the oil and gas sectors onshore and offshore.

## Key Features

### Voltage Rating

Up to 6mm<sup>2</sup>: 300/500V  
10mm<sup>2</sup> and above: 0.6/1kV, when protected

### Minimum Bending Radius

4 x Overall Diameter

### Temperature Limits

Temperature Range: -60°C to +180°C

## Core Colours

Available in: Green Yellow Black Blue Brown white Yellow Grey  
Red Violet Pink Orange

## Standards

- BS EN/IEC 60228
- BS EN 50525-2-41

## Construction

- **Conductor:** Class 5 Flexible Tinned Copper
- **Insulation:** Silicone Rubber
- **Outer Sheath:** Fibre Glass Braid

## QA Lab

### Cleveland Cable Test & Training Lab

Our state-of-the-art cable testing facility ensures that every cable meets the highest standards of quality and compliance through continuous, rigorous testing. Where applicable, cables are independently tested and certified by BASEC to ensure full compliance.

## CPR

Cleveland Cable Company is committed to compliance with the Construction Products Regulation (CPR). Where applicable, all cables manufactured after 1st July 2017 have been assessed in accordance with CPR requirements, with full supporting documentation available.

## Our Sustainability Commitment

We are committed to the journey to Net Zero as a business partner, an employer and a community member.

By thinking and acting sustainably, we deliver excellent customer service while reducing carbon emissions in collaboration with our customers and suppliers.

## ecovadis

Cleveland Cable Company has been independently assessed by EcoVadis, a globally recognised provider of business sustainability ratings. Our score places us among the top 35% of companies evaluated worldwide, reflecting our strong commitment to environmental, social, and ethical performance
