

## SiF Silicone 180 Cable - 0.50mm<sup>2</sup> to 300mm<sup>2</sup>

### Description

SiF Silicone 180 Cable is a single core flexible cable which can be used for operation in temperatures up to 180°C. They are mainly utilised as internal wiring for lamps, heating equipment and electrical appliances as well as for switching boxes and distribution boards. The cables have a class 5 flexible tinned copper core surrounded by a silicone rubber sheath and are available in a large range of colours.

As silicone rubbers don't support fungal or bacterial growth they are also used in food processing, refrigeration and medical industries. SIA and SIAF cables are also widely used in the Oil, Gas & Petrochemicals industries.

SIA 180 cables are rated to 300/500V. SIA cables are heat resistant up to 180°C and can also be employed at temperatures as low as -60°C. These silicon cables are low smoke zero halogen and are suitable for use in public buildings under CPR 2017

### Key Features

**Voltage Rating**  
300/500 Volts

**Minimum Bending Radius**  
Fixed: 6 x overall diameter  
Flexing: 10 x overall diameter

**Flame Retardancy**  
BS EN/IEC 60332-1-2

**Temperature Limits**  
Temperature Range: -60°C to +180°C

### Core Colours

Available in:  Brown  Blue  Green Yellow  Black  Grey  White and

Red

### Standards

- VDE 0482-332-1-2
- BS EN/IEC 60332-1-2

### Construction

- **Conductor:** Class 5 tinned copper
- **Insulation:** Silicone Rubber

### QA Lab

#### Cleveland Cable Test & Training Lab

Our state-of-the-art cable testing facility ensures that every cable meets the highest standards of quality and compliance through continuous, rigorous testing. Where applicable, cables are independently tested and certified by BASEC to ensure full compliance.

### CPR

Cleveland Cable Company is committed to compliance with the Construction Products Regulation (CPR). Where applicable, all cables manufactured after 1st July 2017 have been assessed in accordance with CPR requirements, with full supporting documentation available.

### Our Sustainability Commitment

We are committed to the journey to Net Zero as a business partner, an employer and a community member.

By thinking and acting sustainably, we deliver excellent customer service while reducing carbon emissions in collaboration with our customers and suppliers.

#### ecovadis

Cleveland Cable Company has been independently assessed by EcoVadis, a globally recognised provider of business sustainability ratings. Our score places us among the top 35% of companies evaluated worldwide, reflecting our strong commitment to environmental, social, and ethical performance
